Dear School Leader Abdel:

Thank you for the submission of your academy's Best Practices resolution. The Office of State Aid and School Finance reviews academy websites for compliance with requirement G. After reviewing your website, there is an element of requirement G not being met.

Revenue and expenditure projections for 2014-2015 must be provided under the "Board Approved Budget" section of the Budget Transparency web page.

Attached to this e-mail is a copy of our Budget Transparency guidance, which includes additional information on the item listed above and requirement G in general. If you need additional assistance, please contact Chad Urchike at urchikec1@michigan.gov (517-335-1261).

Please send an e-mail to Chad Urchike at the address listed above, after changes to the website have been made. Another review will be completed at that time. Thank you for your cooperation in meeting the Best Practices requirements.

Sincerely,

Daniel M. Hanrahan, Director
Office of State Aid and School Finance
