The vision of Hope of Detroit Academy is to produce students who compete in a global economy and become productive citizens.

February 23, 2021

Dear Hope of Detroit Academy Parents/Guardians and families,

As we as a community continue to navigate through this challenging educational year, we are pleased to see progress toward our goal of returning to a more typical learning environment. The daily positive test rates have plateaued and then steadily dropped since our last closure of both the elementary and middle/high school buildings. While this is encouraging news, we will continue to practice all safety guidelines and protocols that have been put in place.

Beginning Monday, March 1, 2021, Hope of Detroit Academy will return to in-person learning for those families who requested this option in our last survey. The schedule for all in-person classes will return to Blue and Yellow days for instruction. **The schedule for all virtual classes will remain Monday through Thursday.**

As a reminder, those students who are in-person on a BLUE schedule will attend classes on Mondays and Wednesdays. Those students who are in-person on a YELLOW schedule will attend classes on Tuesdays and Thursdays. Assignments will be put on Google Classroom for the days that in-person students do not report to the building.

All students will be expected to wear a mask and bring a bottle of water to school because the drinking fountains will remain closed. While a proper uniform is encouraged, due to the circumstances of this school year and trying economic times that some of our families are facing, we will not be enforcing the typical dress code for the remainder of this school year. If a student is unable to wear a uniform, then they may follow the dress code of a typical “dress down” day. Please refer to the handbook for more information.

We will continue to hope that all of our families remain safe.

Sincerely,

Ali Abdel

Estimados padres / tutores y familias de Hope of Detroit Academy:

Mientras nosotros, como comunidad, continuamos navegando a través de este desafiante año educativo, nos complace ver el progreso hacia nuestro objetivo de regresar a un entorno de aprendizaje más típico. Las tasas diarias de pruebas positivas se han estancado y luego han disminuido constantemente desde nuestro último cierre de los edificios de las escuelas primarias y secundarias. Si bien esta es una noticia alentadora, continuaremos practicando todas las pautas y protocolos de seguridad que se han implementado.

A partir del lunes 1 de marzo de 2021, Hope of Detroit Academy volverá al aprendizaje en persona para aquellas familias que solicitaron esta opción en nuestra última encuesta. El horario de todas las clases en persona volverá a los días azul y amarillo para la instrucción. **El horario de todas las clases virtuales se mantendrá de lunes a jueves.**

Como recordatorio, los estudiantes que están en persona en un horario AZUL asistirán a clases los lunes y miércoles. Aquellos estudiantes que están en persona en un horario AMARILLO asistirán a clases los martes y jueves. Las asignaciones se colocarán en Google Classroom para los días en que los estudiantes en persona no se presenten al edificio.

Se espera que todos los estudiantes usen una máscara y traigan una botella de agua a la escuela porque los bebederos permanecerán cerrados. Si bien se recomienda un uniforme adecuado, debido a las circunstancias de este año escolar y los tiempos económicos difíciles que enfrentan algunas de nuestras familias, no aplicaremos el código de vestimenta típico durante el resto de este año escolar. Si un estudiante no puede usar uniforme, entonces puede seguir el código de vestimenta de un día típico de "vestimenta informal". Consulte el manual para obtener más información.

Continuaremos esperando que todas nuestras familias permanezcan seguras.

Sinceramente,

Ali Abdel
